In the past, we have had tremendous representation at the national jeopardy competition during the annual ACSM meeting. In 2010, the University of Illinois at Chicago brought a national championship title back to the Midwest chapter.

I would like to congratulate the winning student bowl champion jeopardy team from **Michigan State University**. This team consisted of Charlie Xin, Emily Bolthouse, and Allison Pomerantz. This team by winning will represent the Midwest chapter at the national competition May 31- June 4, 2011 in Denver, CO during the Annual ACSM Meeting.
